

## COVID-19 RESPONSE 2020/2021 DANCE SEASON

**Plan A:** All dancers will attend classes in person with the option of Zoom for those that do not feel comfortable coming to in-person classes. Teachers will wear masks while teaching. The lobby will be closed to families of dancers unless the dancer is in class for longer than one hour. We ask that only one family member use the lobby if necessary. The locker room will only be open to dancers that attend multiple classes in different rooms. Dancers will wipe down their locker after removing their items from the lockers. Lockers will be marked off putting space between lockers. **ALL REC STUDENTS WILL BRING BAGS WITH THEM INOT THE CLASSROOM.** Students are asked to come in their shoes for their first class if the weather is permitting. Teachers will come to West doors to let students enter the building. Dancers and teacher will put hand sanitizer on before and after class. We will dismiss dancers out the South Doors after class. Our class schedules have breaks between classes to sanitize between each class. Dancers are encouraged to use the restroom before classes at home and to bring minimal personal items into the studio. There will still be someone working at the desk to answer questions and take payments.
